

RS CONSTRUCTION
solutions

YOUR TINY HOME VENTURE STARTS HERE

We are excited to introduce our all-inclusive Tiny Home Building Approval & Certification Package. Tailored especially for the discerning homeowner, this package simplifies the intricate approval journey for your tiny home venture in the Greater Brisbane region.

DESIGN

Provision of a site plan tailored to your unique requirements.

BUILDING CERTIFICATION

Preparation and submission of all essential documents for building approval.

ENGINEERING

Comprehensive engineering reports and attainment of Form 15.

PLUMBING PERMIT

We manage the end-to-end process of the plumbing permit application.

MAKE YOUR DREAM A REALITY WITH FLEXIBLE PAYMENT OPTIONS

We offer two payment options for your convenience: secure your package with a deposit and follow-up payments, or opt for peace of mind by settling the entire amount upfront for smooth, uninterrupted service.

Initial Payment Plan

Kickstart with 30%: Begin your project and secure your package.

Progress Payments: Balance is spread across key milestones.

Full Payment Plan

One-Off Payment: Pay the entire amount upfront.

Special Note: Already have some required documents? We can adjust the package price, subject to our review for criteria compliance.

WHY CHOOSE RS CONSTRUCTION SOLUTIONS?

We do more than just paperwork. From securing necessary approvals to offering a complete quote for your tiny home's construction, installation, and hook-up, we provide a seamless, all-in-one service. Contact us to make your tiny home dream a reality.
